January 2012

January 8 -9 - Full Moon in Cancer - Life is changing in its magnificent manner. This is a time for new beginnings and endings. The essence of this full Moon speaks to your inner qualities of your life and how they are expressed in your external experience. What do you nurture? I recommend it be yourself, then you can assist others.

January 22-23 - New Moon in Aquarius - Beyond the Mayan prediction is the dawning of Aquarius. The Age of Light, which will vanquish the age of darkness. Fear is the food of fools, love is the food of your divine self. You breathe what you are, which is an infinite expression of a meditating universe.

The Stars in the Universe are the Source of the Consciousness!

The Twelve Signs of the Zodiac

(Read the signs of both your Sun and Ascendant.)

The secret of health for both mind and body is not to mourn for the past, worry about the future, or anticipate troubles, but to live in the present moment wisely and earnestly.

CAPRICORN (Dec. 22-Jan. 19) Communication will be the most important feature this month. Be open to emotional insights, as they will reveal what you need to know about someone and/or yourself. You will be thinking of your romantic desires and what you really want. An opportunity in business will be presented for your advancement. But wait until you receive the complete information before you make a decision. Do you understand and appreciate how fortunate you are?

AQUARIUS (Jan. 20-Feb. 18) The focus will be on work and your money management style. Your best friend for the coming year will be discipline. If you can convince yourself to invite this long lost buddy to join you, then success is assured. Are you pursuing your dream job? Are you enjoying your work? If not, consider doing something about it. Are you studying what you want? An emotional outburst is possible, so stay emotionally balanced to avoid what you

will assuredly regret. Meditate and keep to the simple, yoga would be most helpful.

PISCES (Feb. 19-Mar. 20) Listen to your inner voice as a way of getting in touch with yourself. By listening, you gain tremendous knowledge. Let your heart be open for a new relationship, and you may be in for a surprise; however, don't make any commitments until you are well into February. At that time, you will see things from a totally different point of view. If you are in a relationship, intimacy will deepen. This will be an emotional month. Make your dreams come true by manifesting your desires with intent and work.

ARIES (Mar. 21-April 19) Family matters are going to demand your attention. Someone will need your help and assistance. If you lend a helping hand, be sure that you don't get involved in someone else's emotional problems. They really don't concern you, so mind your own business. Parents will be calling you for assurance about your money concerns. After all, they did create you. Important contacts for your further development will be made at this time. But be cautious before you make a commitment. Meditate!

TAURUS (April 20-May 20) Travel and communication are highlighted. If you are traveling in your car, be careful. Watch your speed; if you go too fast you will arrive too late. This is a time to strive for emotional balance and moderation. Be patient with everyone or you could find yourself losing your temper, which you seldom do. You have a tendency to think you're right all the time, but you have been known to be wrong on occasion. Life is a wonderful mystery for you to discover!

GEMINI (May 21-June 21) Secrets will be revealed. Emotional and inspirational insight will be available for you. Balance will be the key to unlocking knowledge about your as-yet-to-be-discovered emotional awareness. Good news will arrive for those who are waiting to hear from someone. Use diplomacy in all your interactions. Learn to make decisions from the heart, not with your brain. Romance will always be available this year! Choose wisely because it will affect you greatly.

CANCER (June 22-July 22) At this time, the highlight for you will be your relationships, whether it is romantic or otherwise. This will be the best time for you to reevaluate your relationship needs. Don't cause emotional waves when the water is smooth for sailing. You're emotionally sensitive, so be wary of an emotional outburst this weekend . You may have to walk away from a frustrating situation. You can be the best partner when you are giving of yourself in service to others. A reality check is due! This Full Moon is going to stir you thoughts and emotions so stay aware and don't over-react.

LEO (July 23-Aug. 22) This is a time to examine your emotional health, for you will be tested this Month. Food is starting to have an impact on you. If you have gained too much weight, then do something about it! Be careful with your drug, or alcohol intake. Discretion is the key to not getting into trouble. Be aware of domestic problems popping up out of the blue. This year you'll find that past pressures will dissipate into thin air; be grateful! This a productive time for you to get back to the basics of living.

VIRGO (Aug. 23-Sept. 22) Now is a good time for you to learn a great deal about who you have become. You should be able to appreciate a relationship that is fun and supportive, and nothing more. Refrain from being critical of others, as it really only defines you! And you'll find that you'll have more fun and cause fewer problems for yourself! As you judge, so you shall be judged. Lighten up on others and yourself. You have a tendency to see things as you wish, and not as they are.

LIBRA (Sept. 23-Oct. 23) Your home and family will be the focus, and you will be contacting friends that you haven't seen for a while. Don't let your anger or imbalance get out of hand; you don't want to have to beat yourself up later for having gone there. You demand harmony in your life, so create what you want and don't settle for less. This is a good year for advancement with love and your business interests. You're changing as a from of evolutionary awareness. will

SCORPIO (Oct. 24-Nov. 21) Your deeply hidden emotions are coming to the surface. You'll be able to examine new vistas of the self that will surprise you, and yet also confirm what you already know about yourself. You'll have an emotional insight to why you are the way you are with your relationships. If you

are single, then you need to examine your criteria for a partner. This is a year for major change in your personal life! Some of you are going to be married before the end of the year. Change is going to be a major element this year in your life.

SAGITTARIUS (Nov. 22-Dec. 21) Emotions that have been hidden for a long time will awaken. These emotions will expose secrets that you need to hear. Your ability to communicate your needs and desires will be critical in dealing with those that are important to you. Getting your financial house in order will help balance things out. As always, pay attention to your health. Make this a year for what you want the most to be doing with your life.
